Release of Liability

I hereby consent and authorize Country Road Groom & Board to receive and board my pet(s). I understand the facility will use all reasonable precautions for the safekeeping of your pet, but our facility will not be held responsible in any manner whatsoever on account of medical situations that may arise, as it is thoroughly understood that I assumed all risks.

Vaccinations

I further understand that our facility policy stating that all vaccinations must be up to date at the time of boarding. This includes distemper and rabies for cats, and distemper, bordetella (kennel cough) and rabies for dogs. These vaccination requirements reduce the risk of both myself and the boarding pets. Documentation must be provided to our facility 1 week before drop off.

Special Diet

If my pet requires special or prescription food, it will be my responsibility to provide such food during my pet's stay. *If I do not bring it with me, I understand that food will be provided at an additional charge per cup.*

Upper Respiratory Infection

I know my pet is healthy and not coughing, gagging or sneezing and is free of nasal discharge associated with infection. I also know my pet has not been around any other pet who was showing these symptoms in the last 2 weeks. I understand that our facility takes the utmost care in cleaning and disinfecting our facility.

Bathing/Flea Control

Finally, I understand that all dogs that are boarded go outside in the designated areas. The dogs become dirty and smelling when playing or exercising. For an additional charge, grooming is available during your dog's stay. Please advise if a grooming charge will be added. What's included in a grooming: Bath, nail trimming, de-shedding (if needed) The charge added will be depending on the size of your animal. Flea and Tick treatments must be administered by the owner prior to boarding.

Financial Obligation

Balances for boarding are due at time of pick up. I agree to pay the agreed amount for services rendered during your pets stay.

I understand, as owner of the pets named below, the reasons that Country Road Groom & Board does not recommend pets being boarded together is for the safety of the pets. However, if I prefer my pets being boarded together in the same kennel, I release Country Road Groom & Board from any liability that may result in that decision.
